INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. Guys, I have a case of spring fever—in my pussy! Seriously, my panties would burn right off of me if I wasn't so wet down there too.

It's really no big mystery why. The May flowers in this issue of BARELY LEGAL are enough to cause a heat wave in anyone's undies. Take one look at the dewy pink petals between Matty's legs, and tell me you can't smell the sweet fragrance wafting from them. Marin looks so sweet, I don't know what's watering more, my mouth or my coochie. And I can't think about tasting Rose's perfectly perky nipples without reaching between my legs and petting my kitty.

What about you guys? What do the girls in the May BARELY LEGAL make you feel like doing?

xxx Lindsey

Hello, men. Abby the intern here! Foreign exchange student Marin is in our country on a quest for education. Would you like to help her bone up?

Welcome, Marin! Wow, you are so cute...

Arigato! Oh, sorry—I should be using my English. Thank you!

How long have you been here?

I began my studies in the U.S. a few months ago, and I have already learned so much!

Like what?

Mostly about the culture. Everything is so different here than in Japan. Especially the boys.

How so?

Japanese guys are very restrained by custom and tradition. In America, the boys are much more straightforward. They just come right out and say what they want. It's refreshing!

Have people been nice to you while you've been here?

Yes! Everyone has been so friendly and helpful. Especially Mr. Benson, the father of my host family. He's helped me learn a lot.

Like, with your English?

A little bit, but mostly with other things. In Japan, I didn't have much experience with men. Mr. Benson has taught me so much.

Tell me more!

Do you know deepthroating? He showed me how to do that. I didn't think I could, especially since he's so big, but he kept pushing and encouraging me, and now I hardly even gag anymore!

How about your classmates? Have they been helpful too?

Very. For instance, before I came to the U.S., I was unsure if I knew what to do with even one penis. Now I know that I can satisfy three at a time! Maybe more, with further practice...

Wow, it sounds like you have really been getting the most out of your experience.

I have! It's true what they say—America really is the land of opportunity!★

SANDY
coming out
of my shell

Hey, it's Nikki the intern. Some of you may recognize Sandy from her feature in our March 2024 issue. Well, Sandy came to California for spring break and decided that she—and the twins!—should stop by and say hi.

About Sandy: I'm just a regular country girl. I love anything outdoors. I love to be with my friends and to make people laugh. I'm up for anything—as long as it's fun!

How's your spring break going? I'm having a blast! My girlfriends and I have just been partying and looking for hot guys. I love the snow back home, but not as much as I love the sun out here. The less clothes I have to wear, the better!

Are you still single? Yeah. I'm not big on the whole dating thing. I had a boyfriend for a while—until I found out he was cheating on me.

Aww! I'm so sorry. How are you dealing? It's fine. I'm fine now. I keep telling myself that I'm better off.

Do you like being single? I miss having a boyfriend *sometimes*, but whatever. I'm too young to settle down now anyways.

What part of a guy's body do you like best? Butt, pecs, eyes. But a guy's heart is what matters. Just because a guy has buns of steel doesn't mean I want to date him. I might *drool* over him....

What's something that your friends might not know about you? That I'm *constantly* horny? No, they know that. That I have a *huge* crush on one of my (platonic) guy friends? *Oops!* Oh, crap! I shouldn't have said that. Now he's going to read this and know!

Do you like oral sex? Yeah. Who doesn't?

Have you tried anal sex? I tried it once. I didn't like it. It hurts!

What's the wildest sex you've ever had? Well, the wildest was when I basically had an orgy with my girlfriends. It was a bunch of us just fooling around, but it got out of control. Let's just say I tasted at least three different flavors of pussy!

What made you decide to start posing nude? I needed to come out of my shell a little bit.

Any interest in doing porn movies? I'd be lying if I said I wasn't curious. But I don't know if I'm ready to have sex on camera with complete strangers.

Would you feel more comfortable if it was with a girl instead of a boy? Oh, yeah. I would *pay* for the chance to play with a hot girl. There are a lot of porn stars who are just gorgeous.

When will you come back for another layout? Anytime you want me! ★

A blonde woman with long hair is posing in a pink towel. She is sitting on a bed or couch, with her legs crossed and her back to the camera. She is looking over her shoulder at the camera. The background is a plain wall with a vent. The lighting is soft and even.

MORGAN

happy to be me

PHOTOGRAPHY BY HERB KING

Hey! It's me, Lindsey. Half Puerto Rican, half German porn starlet Morgan is a dirty girl for a living, but she's a good girl, too. I love that combo, don't you? ;)

Hey, Morgan! How would you describe yourself?

I'm a total deviant, but I'm also a country girl at heart. My family and friends are everything to me. They support me and keep me grounded.

What are your hobbies?

Horseback riding, spending time with my family, shopping, scuba diving. I don't party, drink or do drugs.

How do you like to be fucked?

Doggy-style is my favorite position, but really, whatever the guy wants. I like to be dominated.

Where do you like a guy to come?

On my tummy.

Do you like to give head?

I love it. It's something I consider myself good at, and the reactions I receive are awesome.

Do you spit or swallow?

Both, because it makes the man happy.

What is the sluttiest thing you've ever done?

I don't consider myself slutty or do slutty things.

What's the absolute best sex you've ever had?

I can't say! Every time is good in its own way.

What's your ultimate sexual fantasy?

In a cave behind a light-flowing waterfall.

Is there anything you want to say to our readers?

I love hearing from fans! Their feedback means the world to me. ★

Hey, it's Lindsey. Matty gets turned on when guys whisper in her ear. Do you have any secrets you'd like to tell her?

About me: I'm confident, playful and creative.

Favorite things to do for fun: Going to museums, cooking, enjoying quiet evenings, good music, taking warm baths and spending time with people I'm close to.

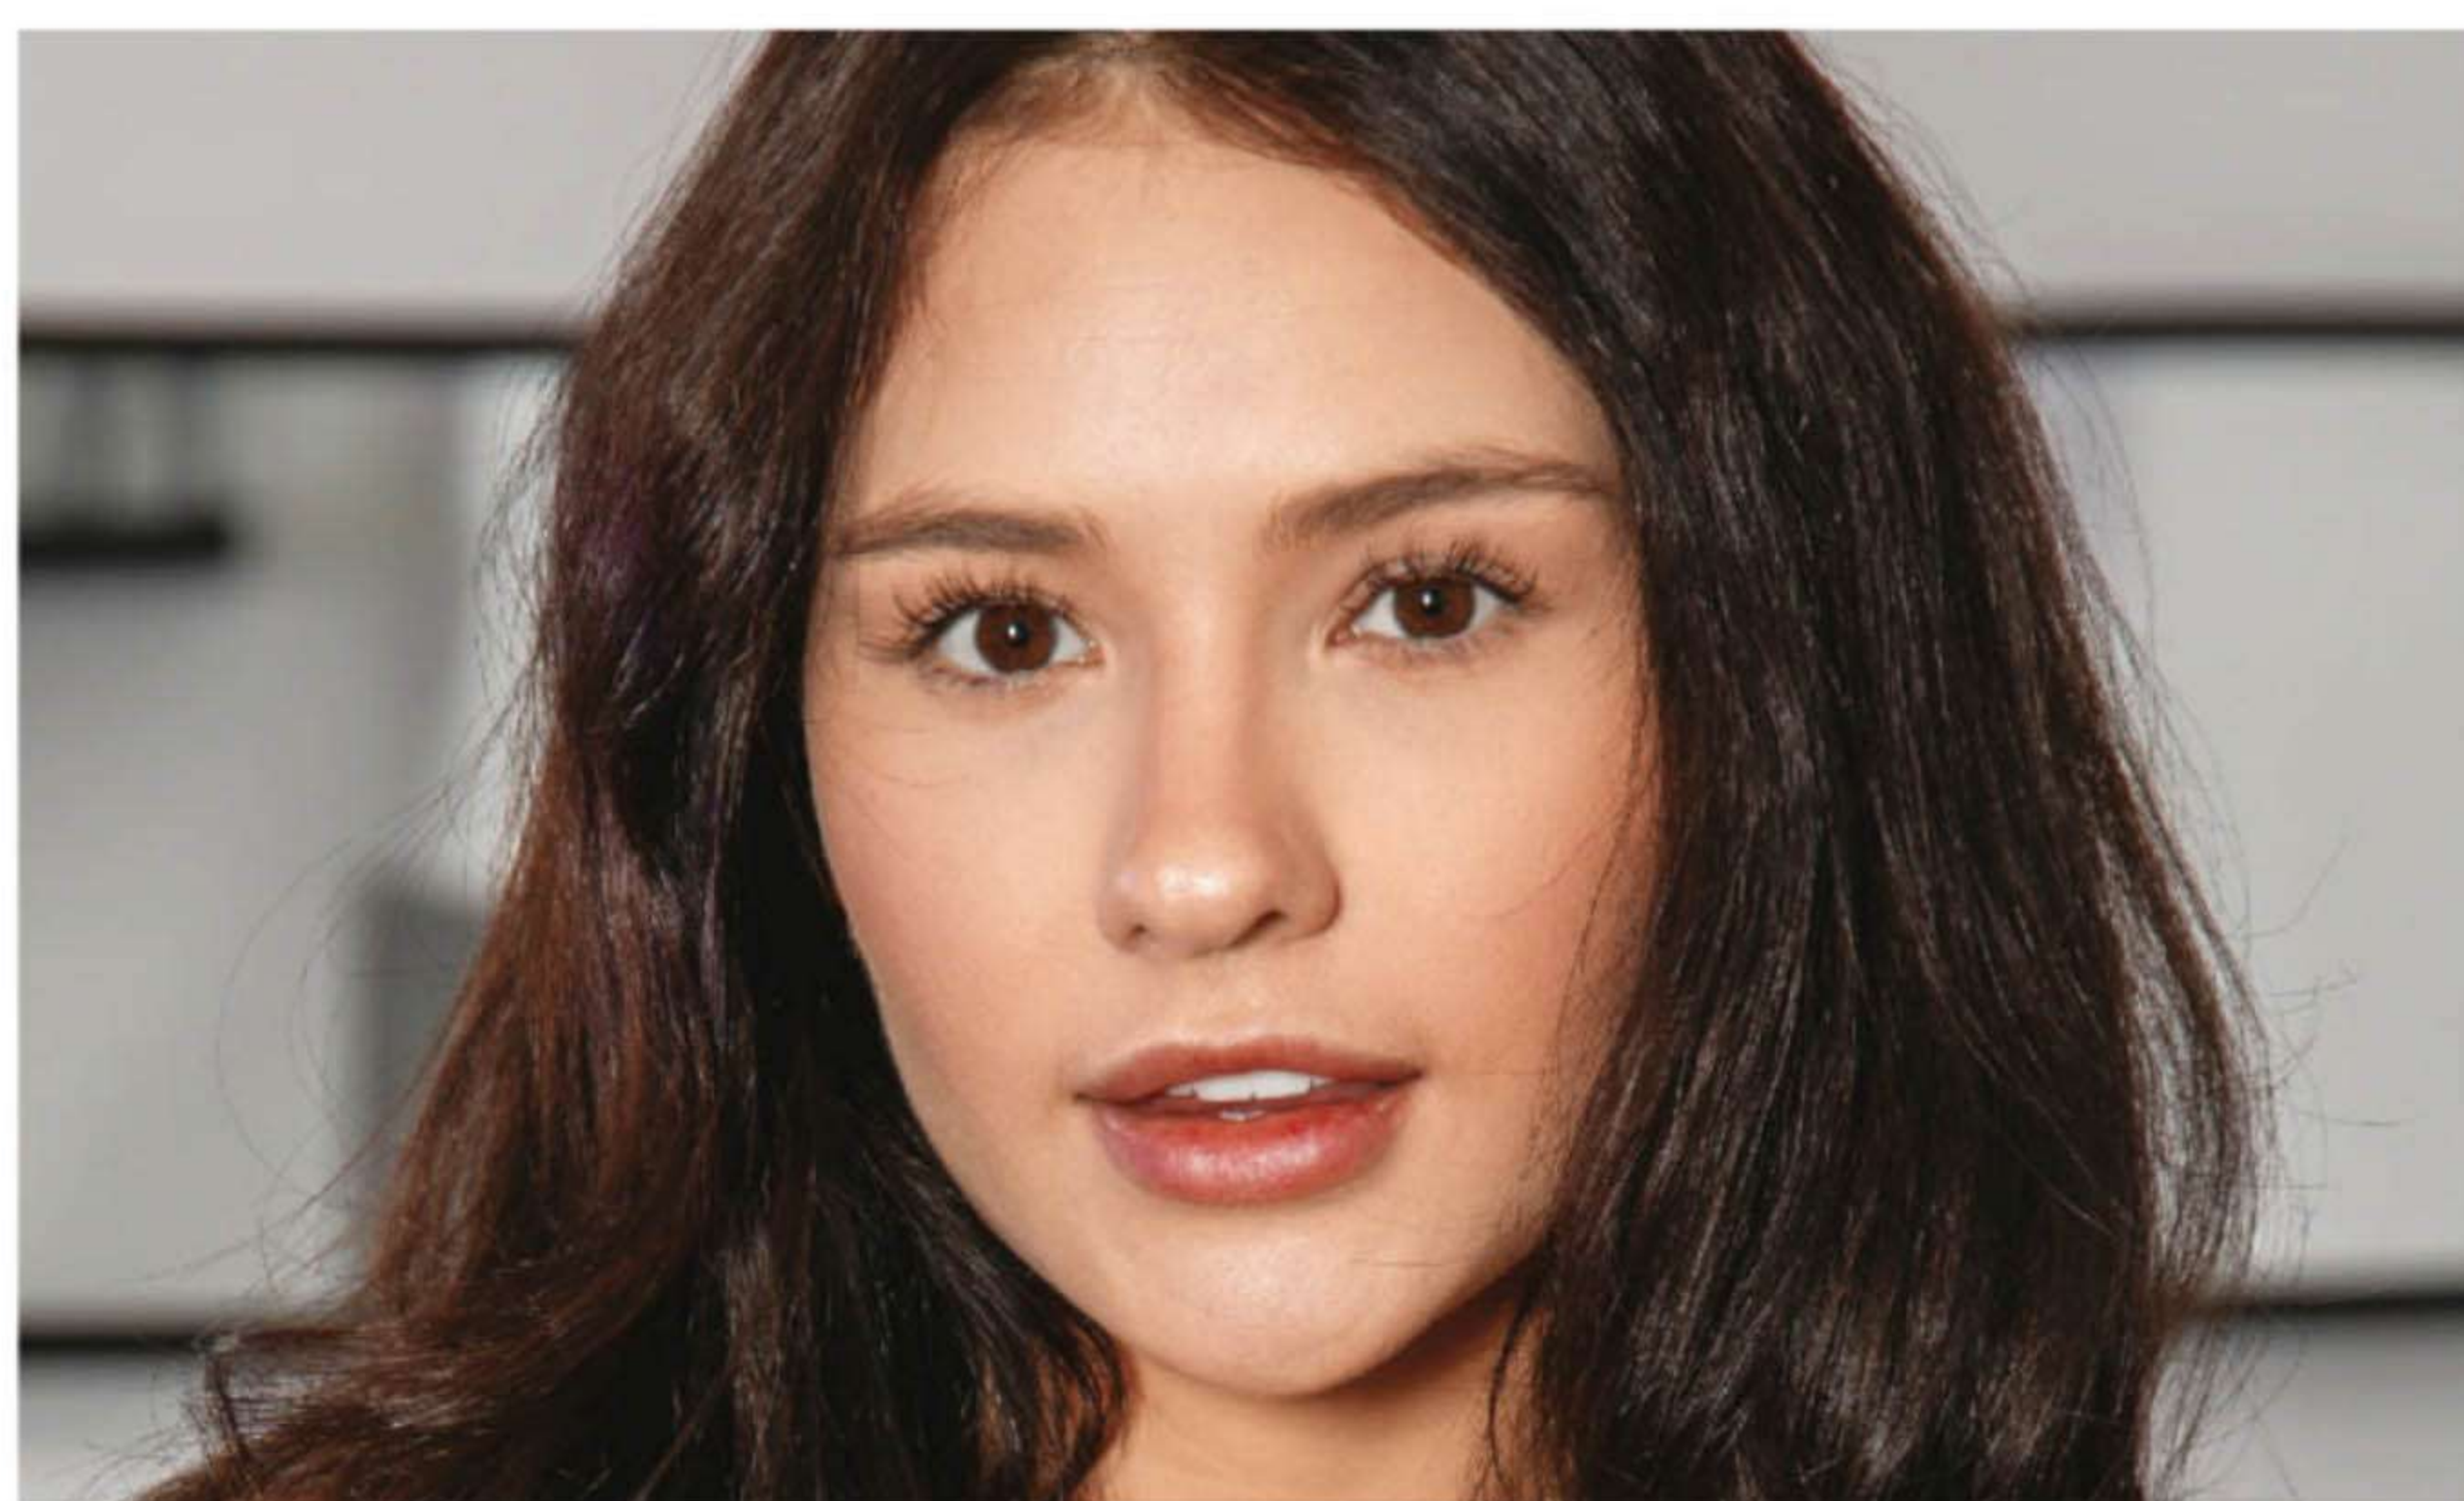

Best part about posing nude: The freedom and confidence it gives me. I love to express myself in an artistic way.

Best thing about doing porn: The sex is great, but I really love getting to act. [Fun fact: Matty just won an AVN Award for Best International All-Girl Sex Scene. Go, Matty!]

Best physical feature: My eyes.

Masturbation routine: I love it and do it a lot!

Masturbation method: My hands and imagination go a long way for me.

Biggest turn-ons: Good kissers and soft whispering in my ear.

Biggest turn-off: Rude, disrespectful people with bad attitudes.

Favorite kind of guy: Confident men who respect boundaries and treat people well.

To bi or not to bi: I love sex with girls, but for relationships, I prefer men.

Favorite kind of girl: Funny, playful, flirty girls with a good sense of humor.

Stance on giving head: I love it and am obsessed with it! It's one of the best parts of sex.

Favorite position: Missionary.

Best way to fuck: Intensely.

Anal, yay or nay: I'm still new to it. I've done it a couple times and hope to get more into it in the future.

Best place for a guy to come: On my face—I love seeing my partner enjoy himself while I'm on my knees.

Weirdest place I've had sex: So many! Cornfields, beaches, the forest...even in a church.

Best way to ask me out: Say something smart that's totally out of context. Definitely don't send dick pics!

Favorite fantasy: To have sex with a virgin and make his first time unforgettable!★

ROSE CAARTER

brattitude

PHOTOGRAPHY BY LARRY FLYNT PRODUCTIONS

Welcome, Rose! Tell me a little about yourself. Did you always want to be a porn star?

Not really. I used to think that I wanted to be a doctor. Then I found out that the sight of blood makes me faint, LOL.

I think you made the right choice.

Me too! I like the sight of jizz a lot more.

What do you think is your best physical feature?

Honestly, my pussy. It's got a crazy-tight grip.

Guys must love that.

They do—sometimes too much...

Oh, no! You mean they pop too soon?

Yeah. It's okay though. I love giving head, so I really enjoy sucking them hard again for round two.

Besides bringing boners back to life with your mouth, what turns you on?

When a guy teases me. Also, teasing the guy I'm with. I love being bratty to a dude. Like, getting under his skin with my attitude so he feels like he needs to put me in my place with his dick.

Speaking of dicks, what kind of cocks do you like? Big ones?

I prefer girthy ones. Really, as long as a guy knows how to use it, I'm satisfied.

Where do you like a guy to come?

In my mouth. I love to swallow—it's just less messy that way.

Rose, would you come back and visit us again sometime?
Of course! ★

SOFIA

a dark and secret place

I used to think there was something wrong with me,” confesses Sofia. “All of my girlfriends were boy-crazy. And I was just like, the boys at school are lame. But I still felt funny, I mean, horny, because I’m 18, and that’s just what happens naturally. I’d fantasize about sexual things, but I didn’t like anybody that way. I decided I was weird and there was no one in the world for me. Then I met Frank.

“Frank works for my dad, like, supervising construction sites. Dad had a barbeque for his employees. When I saw Frank, I suddenly knew that there was someone for me. It was love, instantly—but why would Frank want a clueless virgin like me? I was nervous, but I told myself, You need to talk to this man. You have to. Don’t be lame.

“Frank grinned when I said hey. I was babbling, asking him about how he builds things, telling him I couldn’t wait to graduate, and he just said, ‘That’s great.’

“I don’t know how it happened, really. I had some goofy idea to give Frank a tour of the house, so I was just all, here’s the breakfast nook, here’s the den. Then we arrived at the basement, and I was like, ‘It’s dark and creepy,’ but Frank said, ‘That’s okay. I’d like to see.’

“We creaked down the stairs. When we reached the bottom, Frank kissed me. I thought I’d faint. The stubble on his chin tickled me.

“‘You’re very beautiful,’ Frank whispered. He rubbed my butt. ‘Your dad would kill me.’

“I pressed against him. ‘I won’t tell anybody.’

“It was like magic, really. Frank had stepped out of my dreams. He was gentle, but hard. His boner poked my belly. ‘I want you so bad,’ he breathed, squeezing my titties. ‘Would you get on your hands and knees for me?’ I crouched. He pulled down my panties. ‘Your ass is so hot,’ he huffed, his voice trembling. ‘Would you—will you let me?’

“I wasn’t expecting him to put it where he did. But that was okay. I was very hot and ready.

“Maybe it seems odd to pop your butt before your pussy. But it feels really good there, seriously. I was shaking and moaning, and my fingernails were clawing the dirty floor, and I was just, like, begging, ‘Don’t stop. Please keep going!’

“I see a lot of Frank these days. He crawls through the basement window, lifts my skirt and stuffs his cock inside my tootie. See, I knew. I knew I needed a special man to give me something different, in a very special way.” ★

MANDY

more than a mouthful

I was self-conscious about my boobs forever,” confesses Mandy. “I started developing way early. Do you have any idea how embarrassing it is to have hooters in the sixth grade? People treated me like a circus freak!

“Once I started high school, the boys were disgusting. They didn’t talk to me, they talked to my tits. They made stupid comments like, ‘Hey Mandy, need to get something off your chest?’ It was horrible.

“Something changed when I turned 18. Suddenly, this body that I hated became beautiful to me. I’d take off my shirt and stare at my boobs in the mirror and just think, *You know, these are pretty great.* To be honest, they turned me on. I’d rub them, and my nipples would tingle, and—this is kind of embarrassing—but sometimes I’d get so horny, I’d pick up my tits and suck them with my own mouth! You can do that when you’re super-busty.

“For the first time in my life, I was actually proud of my body. That’s when I decided to write to BARELY LEGAL. I got a friend to take a topless snapshot and sent it to the magazine. When BARELY LEGAL called me to say they liked my pic, I felt like I won the lottery!

“Posing naked made me feel so free! It was like, *Look!* I finally learned to love my boobies, and I’m ready to share them with the world! Taking pictures was the most fun I ever had. I was just laughing and having a great time all day. At first I was planning on only showing my chest, but I got so caught up in the moment, I was like, *Hi, here’s my pussy!*

“I’m so much more confident and happy now. I hope you all like my pictures—’cause I do! I don’t feel like a freak anymore. I feel like a big, sexy lady.” ★

BARELY LEGAL
CLASSIC
NOVEMBER
2009

Hey, it's Lindsey. Not to take away from other BARELY LEGAL girls, but, OMIGOD, how gorgeous is Ashlyn Rae? And just think, we can all see her having sex if we feel like it!

Ashlyn Rae, you are so gorgeous. Have you ever thought about modeling clothes and not just your bod?

I would love to do both! I'm definitely hoping that nude modeling leads to other kinds of modeling.

Well, you could totally be in a shampoo ad. Is your hair really red?

Yes, I'm a natural redhead. I'm part Irish.

What made you decide to go into porn?

It's not that much different from modeling. Plus, I want to be an actress, too, and I think this is a good start. Basically, I just want to be famous. LOL.

Did you have any sexual experience before you started making movies?

No. As a matter of fact, the first time I ever swallowed jizz and the first time I ever went down on a girl were both on camera! -----➔

Omigod, weren't you nervous?

No, it was fun. I love having sex on camera. I lose all my inhibitions.

Are you discovering a secret dirty side?

Maybe! I'm open to doing almost anything in a movie. Except maybe not anal.

Too bad, with that booty! Do you still get horny in real life?

Of course! I don't film every day, but I still want to have sex every day.

Is your regular sex life getting wilder?

No, I like things pretty straight and simple. I only go wild when I know people are watching.

What's your favorite thing to do sexually?

My favorite is to get fucked doggy-style by a big, tall, muscle-y guy with dark hair who drives a truck. Or at least a big car.

Is that your dream guy?

That's just what turns me on. I'm not looking for a boyfriend. I prefer being single and having fuck buddies. I'm a busy girl!

What's next for you?

I'm just going to keep making movies and modeling and getting better at what I do, and hopefully everyone will know my name soon! ★
